

## University Calendar 2019/20

### Academic Regulations: Faculty of Environmental and Life Sciences

<b>School</b>	Psychology
<b>Final Award</b>	Doctor of Educational Psychology
<b>Programme(s)</b>	Doctor of Educational Psychology
<b>Last modified</b>	May 2019

The Academic Regulations which are detailed in Section V: [Regulations for Research Degrees and Higher Doctorates](#), and Section IV: [General Information and Regulations](#) of the Calendar, apply to and regulate the programme(s) listed above.

On occasion, programmes can be exempted from one or more of the clauses in the Regulations; one or more of the clauses can be varied; and programmes can impose additional requirements.

- Exemptions are characterised by the omission of the relevant clause.
- Variations are characterised by the replacement of the clause with alternative wording.
- Additions are characterised by requirements in addition to those detailed in the Academic regulations.

The programmes listed have approval from the Academic Quality and Standards Committee for the **exemptions** and/or **variations** and/or **additions** to the regulations noted below.

#### **Exemptions:**

The clause(s) listed below describe where an exemption to the Regulations exists:

Existing University regulation (including link)	Approved Exemption
<a href="#">Regulations for Research Degrees</a>	Candidates are exempt from the right to repeat any taught module (internally or externally) following a failure of more than half the modules in a Part, or following resubmission.

#### **Variations:**

The clause(s) listed below describe where a variation to the Regulations exists:

Existing University regulation (including link)	Approved Variation
<a href="#">Regulations for Research Degrees</a>	Taught modules are passed at 50% but placements are marked on a pass/fail basis only.

#### **Additional requirements:**

The clause(s) listed below are in addition to the Regulations:

Existing University regulation (including link)	Approved Additional Requirement
<a href="#">Regulations for Research Degrees</a>	<p>Continuation on the programme is subject to specific health requirements (consistent with the provisions of the Equality Act 2010). Students are required to inform the Faculty of any health problems throughout their period of enrolment, relevant to their future employment as a professional.</p> <p>A candidate will be deemed to have failed the programme, without the right of re-entry, on one or more of the following grounds:</p> <p>(i) Candidates must pass at least 50% of the</p>
