REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 JULY 2013

The Trustees have pleasure in reporting to the members for the year ended 31 July 2013.

Board of Trustees

The Trustees are responsible for the administration and investment policy of the Scheme. The Trustees met five times in the year, and attendance of the meetings is as follows:

Trustee	Number of Meetings attended out of 5
Dr M Bateman- Chairman	5
Mr M J Ace- University Trustee	5
Mr M S Killingley- University Trustee	3
Ms T Harrison - University Trustee	0
Mr D Lynock- Member Trustee	3
Mr A Dolby- Member Trustee	5
Mrs D Woods- Pensioner Trustee	5

The Trustees are appointed and may be removed by the University in accordance with provisions of the Trust Deed. University Trustees are the holders of the offices specified in the Trust Deed and cease to be Trustees on resignation from those offices. Member Trustees are elected triennially by a ballot of members and cease to be Trustees on the day prior to the third anniversary of their appointment, or by resignation prior to that date.

The Scheme administration is performed by the Finance Department of the University.

Statement of Trustees' responsibilities

The financial statements are the responsibility of the Trustees. Pension scheme regulations require the Trustees to make available to scheme members, beneficiaries and certain other parties, audited financial statements for each scheme year which:

- show a true and fair view of the financial transactions of the Scheme during the scheme year and of the amount and disposition at the end of the scheme year of its assets and liabilities, other than liabilities to pay pensions and benefits after the end of the scheme year, and
- contain the information specified in the Schedule to the Occupational Pension Schemes (Requirement to obtain Audited Accounts and Statement from the Auditor) Regulation 1996, including a statement whether the financial statements have been prepared in accordance with the Statement of Recommended Practice "Financial Reports of Pension Schemes".

The Trustees have supervised the preparation of the financial statements and have agreed suitable accounting policies, to be applied consistently, making any estimates and judgements on a prudent and reasonable basis.

SCHEME FOR NON ACADEMIC STAFF

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 JULY 2013

(Continued)

The Trustees are responsible, under pensions legislation, for ensuring that there is prepared, maintained and from time to time revised, a schedule of contributions showing the rates of contributions payable towards the Scheme by or on behalf of the employer and the active members of the Scheme and the dates on or before which such contributions are to be paid. The Trustees are also responsible for keeping records in respect of contributions received in respect of any active member of the Scheme and for monitoring whether contributions are made to the Scheme by the employer in accordance with the schedule of contributions.

The Trustees also have a general responsibility for ensuring that adequate accounting records are kept and for taking such steps as are reasonably open to them to safeguard the assets of the Scheme and prevent and detect fraud and other irregularities.

Pensions payable

In accordance with the Scheme rules, pensions are increased annually in line with the Pensions Increase Act 1971. With effect from 1 April 2013 the following increases were made to the pensions payable and deferred provision based on CPI as at September 2012, which replaced the previous methodology of using RPI.

Pensions in course of payment for benefits accrued to end September 2010	2.2%
Pensions in course of payment for benefits accrued to after 1 October 2010	2.2%
Deferred pensions	2.2%

Pension increases are made at the discretion of the Trustees and University of Southampton where pensions commenced to be paid prior to 1 April 1987.

Revaluation of deferred pensions only apply where a member left after 1 January 1986. In these cases, the following rules apply:

- For leavers between 1 January 1986 and 31 December 1990: Revaluation can be back-dated to 1 January 1985.
- For leavers after 1 January 1991: Revaluation is calculated on all pensionable service.

Deferred pensions for members who left before 1 January 1986 are not subject to any revaluation.

The Scheme

The University of Southampton Pension and Assurance Scheme for Non Academic Staff was established in August 1967, to provide retirement and death benefits for all eligible non-academic employees of the University.

The Scheme is governed by a revised definitive Trust Deed dated 23rd August 2012 incorporating the preservation requirements of The Social Security Act 1973, and the contracting out provision of The Social Security Pension Act 1975, and all previous supplementary deeds.

UNIVERSITY OF SOUTHAMPTON PENSION AND ASSURANCE

SCHEME FOR NON ACADEMIC STAFF

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 JULY 2013

(Continued)

The Scheme investments are in accordance with the Occupational Pensions Scheme (Investment of Scheme's Resources) Regulations 1996. The financial statements have been prepared and audited in compliance with regulations under Section 41(1) and (6) of the Pensions Act 1995.

On the 8 July 2013 the Scheme Actuary, Jon Bridger of Barnett Waddingham LLP, resigned and was replaced with Paul Hamilton, also of Barnett Waddingham LLP. The former

Scheme Actuary confirmed that there were no circumstances connected with his resignation, which in his opinion, significantly affected the interests of the members of, or beneficiaries under the Scheme.

Management of the Scheme

The overall management of the Scheme is vested in the Trustees whose names appear on page 1 of this report. The management of the investment assets of the Scheme has been delegated by the Trustees to BlackRock Investment Management, Longview Partners (Guernsey) Limited, Barings Asset Management and Newton Investment Management, who have full responsibility for the day to day affairs of the Scheme. The Investment Managers are remunerated on a fee basis which is based on the value of the Scheme's assets managed by each manager as follows:

BlackRock Investment Management

Investments held by BlackRock in corporate bonds and gilts are charged a management fee of 0.10% per annum.

Investments held by BlackRock in the Property Fund are charged a management fee of 1.0% per annum.

All other investments are charged as follows (based on the market value of assets at the quarter end):

- 0.70% pa on first £10 million
- 0.50% pa on next £10 million
- 0.35% pa on balance in excess of £20 million

Longview Partners

All investments are subject to fees, which are calculated quarterly, based on the average value of the Scheme's asset as at the end of the previous three months:

- First £25m 0.75%
- Next £25m 0.65%
- Next £75m 0.60%
- Next £125m 0.50%
- Thereafter 0.40%

The Scheme first invested with Longview on 26 July 2013.

Barings Asset Management

0.55% pa on assets held in the Dynamic Asset Allocation Fund, which is deducted directly from the pooled fund and therefore incorporated into the unit price.

Newton Investment Management

0.75% pa on assets held in the Real Return Fund, which is deducted directly from the pooled fund and therefore incorporated into the unit price.

Scheme Funding Position

The last full actuarial valuation was performed by Barnett Waddingham Ltd as at 1 August 2012. The valuation indicated that on the basis of existing contribution rates the scheme was in deficit. As a consequence of the scheme being in deficit the Trustees agreed to a long term recovery plan effective from 26 April 2013, whereby the funding shortfall is expected to be eliminated by 31 August 2022.

The next full actuarial valuation will be effective from 1 August 2015.

INVESTMENT REPORT

The investment assets of the Scheme are vested in the investment managers who have full discretion to invest on a worldwide basis with the exclusion of direct investment in tobacco companies. The policy followed reflects the investment objectives of meeting the Scheme's long term commitment to provide pensions and other benefits in the future. The Trustees have produced a Statement of Investment Principles as required by section 35 of the Pension Act 1995 and a copy is available on request.

A summary of the Scheme's performance over the last five calendar years as well as the first 6 months of 2013 is given below. The table shows the returns achieved by each investment manager and the aggregate return of the Scheme. Since 1 April 2003 the Scheme has been using a composite benchmark, tailored to its long term strategy. The Scheme first invested with Longview on 26 July 2013, and therefore their performance has not been considered here.

13 CONTINGENT LIABILITIES

Following the European Court of Justice's decision that part-time staff must be allowed to join an occupational pension scheme and the subsequent English case of Preston v Wolverhampton Healthcare NHS Trust, the Trustees have undertaken work to contact all part-time staff, past and present, and inform them of their rights.

The liability of the scheme which may arise has been quantified by the Trustees as follows:

Total claims outstanding	3
--------------------------	---

Current Members

	£
Contributions due	1,474
Future additional pension per annum (based on current salaries)	826
Future additional lump sum payable (based on current salaries)	2,479

There could be further claims lodged in the future by current members that may need to be settled. The Trustees are unable to quantify the number that may be involved or the relevant costs of potential claims.

COMPLIANCE STATEMENT

Tax and contracting-out status of Scheme

The Scheme is approved as an “exempt approved scheme” under the terms of the Income and Corporation Taxes Act 1988 and to the Trustees’ knowledge there is no reason why such approval should be prejudiced or withdrawn. The Scheme is contracted out of the State Earnings Related Pension Scheme under a certificate issued by the Occupational Pensions Board.

Cash equivalents

Cash equivalents paid during the year with respect to transfers have been calculated and verified in the manner prescribed by the Pension Schemes Act 1993 and do not include discretionary benefits.

Scheme investments

There were no employer-related investments held at any time during the year.

The investment managers appointed on behalf of the Trustees to manage funds under section 34(4) of the Pensions Act 1995 are appropriately authorised under the Financial Services Act 1986 to manage investments or are specifically exempted from the requirements of the Act. The investment managers appointed have the appropriate knowledge and experience necessary to manage the particular investments delegated to them.

A statement of investment principles has been produced as required by Section 35 of the Pensions Act 1995, and is available on request.

Scheme advisors

There are written agreements in place between the trustees of each of the scheme advisors listed on page 1 of this report and also with the Principal Employer.

Independent auditors' statement about contributions, under Regulation 4 of the Occupational Pension Schemes (Requirement to obtain Audited Accounts and a Statement from the Auditor) Regulations 1996, to the Trustees of University of Southampton Pension and Assurance Scheme for Non Academic Staff

We have examined the summary of contributions of the University of Southampton Pension and Assurance Scheme for Non Academic Staff payable in respect of the scheme year ended 31 July 2013 to which this statement is attached.

This statement is made solely to the Scheme's Trustees, as a body, in accordance with The Occupational Pension Schemes (Requirement to obtain Audited Accounts and a Statement from the Auditor) Regulations 1996 made under the Pensions Act 1995. Our work has been undertaken so that we might state to the Scheme Trustees those matters we are required to state to them in an auditors' statement about contributions and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Scheme and the Scheme's Trustees as a body, for our work, for this statement, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As described in the statement of Trustees' responsibilities, the Scheme's Trustees are responsible for ensuring that there is prepared, maintained and from time to time revised a Schedule of Contributions which sets out the rates and due dates of certain contributions payable towards the Scheme by or on behalf of the employer and the active members of the Scheme. The Trustees are also responsible for keeping records in respect of contributions received in respect of any active member of the Scheme and for monitoring whether contributions are made to the Scheme by the employer in accordance with the Schedule of Contributions.

It is our responsibility to provide a statement about contributions paid under the Schedule of Contributions and report our opinion to you.

Scope of work on statement about contributions

Our examination involves obtaining evidence sufficient to give reasonable assurance that contributions reported in the attached summary of contributions have in all material respects been paid at least in accordance with the Schedule of Contributions. This includes an examination, on a test basis, of evidence relevant to the amounts of contributions payable to the scheme and the timing of those payments under the Schedule of Contributions.
